Located just a few kilometers from the French border, in the Bay of Roses, Empuriabrava, known for its 30 kilometers of canals, is famous for being the largest marina in Europe. Every year, many buyers are attracted by the activities it offers, its marina, and its fine sandy beaches, making it a dream destination to enjoy at any time of the year. Built 50 years ago, this Residential Marina will captivate you with the diversity of its landscapes and activities such as its natural park or its skydiving base (the largest in Europe).
